

## Where are you going to live, and how much will that cost?

You will use your researching skills to find a 1-bedroom apartment as well as a 3-bedroom apartment in each area of Portland: SE, NE, SW, NW, and North Portland.

Keep in mind, this is just finding the place to live and the location. We haven't even mentioned what will go into your home – bedroom stuff, kitchen stuff, bathroom stuff, living room stuff.
